For Julian

A square QR code is centered on a black background. The QR code is white with black modules. Surrounding the QR code are several concentric circles in cyan, yellow, and magenta. The circles are of varying radii and are arranged in a way that they appear to be part of a larger, abstract design. The overall image has a high-contrast, digital aesthetic.

A QR code is centered on a black background. The QR code is white with black modules. Surrounding the QR code are several concentric circles in yellow, cyan, and magenta. The circles are of varying radii and are not perfectly circular, appearing as arcs. The background is solid black.A square QR code with a black and white pixelated pattern, centered within a white square background. This white square is itself centered within a larger black square. Surrounding the white square are several concentric, hand-drawn style circles in vibrant colors: yellow, orange, red, and blue. The circles are not perfectly uniform, giving the graphic a dynamic, artistic feel.

A square QR code with a white background and black modules, centered on a black background. The QR code is surrounded by several concentric, overlapping circles in vibrant colors: red, yellow, green, and blue. The circles are of varying radii and are slightly offset from each other, creating a dynamic, swirling effect. The overall composition is minimalist and modern.

A QR code is centered on a white square background. This white square is set against a larger black square background. Surrounding the white square are several concentric, hand-drawn style circles in vibrant colors: yellow, cyan, magenta, and purple. The circles are not perfectly uniform, giving the graphic a dynamic, artistic feel.
